USPA NEWS - Our names are hungry as a child

In the darkness of the night...!

And our bodies are wet as if it were the heads of tombs wetted by the dreams of the young

I'm a prophet and you are a prophet as well

Separated by the temple and the music between alleys and the pubs

I still see the mirrors the politicians a spot of war in the sit -in square

On the heads of the poor as the verses of the (parties) and another body with the intention of the cotton

In the TV.

All who stole the humans belongings in the battle come by a ticket to another war according to a military plan

Oh, politicians save our names from drowning

We are but a closet filled with tears and you are a closet filled with oil and the traitors

We share the songs and the names of the dead and the bread of the countries on the map of the homeland lift the blame of wombs.
